GUIDELINES FOR AUTHORS

Indian Journal of Marketing- a monthly 'double - blind peer reviewed' refereed journal on Marketing welcomes original papers from both academics and practitioners on marketing. Papers based on theoretical/empirical research and experience should satisfy good quality research and must reflect the practical applicability/policy implications of the research.

MANUSCRIPT SUBMISSION

- 2) Two or more referees review all contributions by following the double blind system - that is, with the author's name and credentials deleted, so that the reviewers don't know who is authoring the work. The review process takes three months and the status would be known after three months of submission of the article. It is mandatory to mention a valid email address with content submitted online. We will acknowledge the receipt of your paper by email and an article id will be issued to the corresponding author. Manuscripts will be acknowledged within one week of receipt . - 5) The Manuscripts should not be more than 6000 words. The manuscript should mention the time period in which the research was conducted.**
